DELUXE TRADING & SERVICES W.L.L

Building Materials Division

A pioneer in trading of industrial, hospital and oil field chemicals, our activities were diversified in 2008 into the import of plumbing materials and luxury bathroom fittings from Europe and the USA.

Ours is a dynamic company with a goal to provide the most diverse selections in bathroom fittings and plumbing materials, adaptable to the growing needs of our customers. We have successfully completed various high net worth residential and commercial projects. As a single source supplier for a wide variety of items, Deluxe helps reduce the purchase price and administration costs.

We have invested in tie-ups and representations with various international brands that address the unique needs and demands of LEED certification, or equal. Our aim is to be an industry leader, working to improve our business, to suit local and global norms for sustainable development.
